**Dear Hindu Dharma
Supporter:**

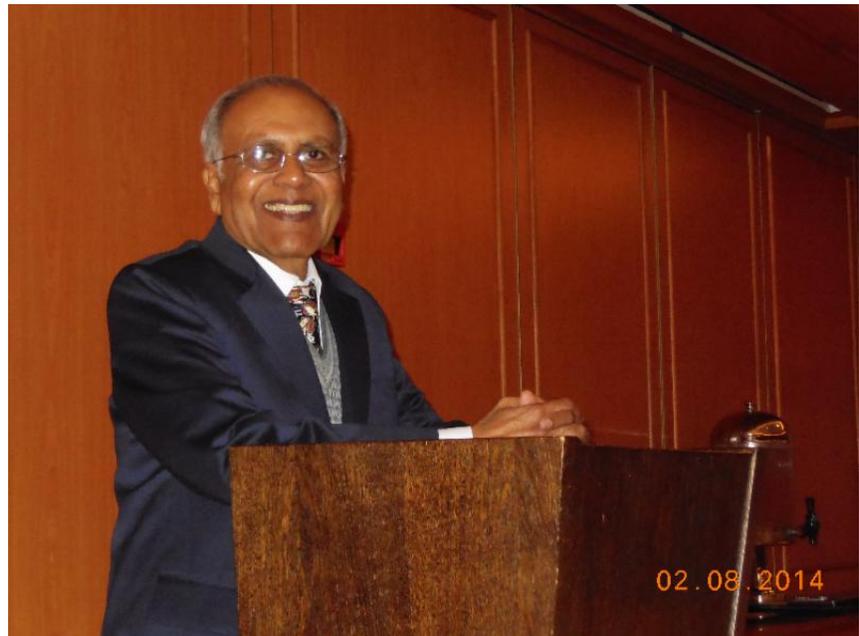

Thank you for your support and patience while we could update our website and get it going. When you get a moment, please do visit our newly designed Website www.naha.us and do give us your comments. If you find any of the links that is not working, we would so appreciate knowing.

Our thanks to all those who supported us by purchasing our publications. Since we are indeed a small organization, we rely solely on the 'word of mouth' publicity.

Please encourage your family and friends, by writing on face book, send a tweet, or use other social media, to educate their young children about Hinduism by letting them complete either the Dharma or Karma Award programs that we offer.

Send us a picture of your child doing puja at home or other Dharma or Karma

LESSONS FROM KARMA AWARD WORKBOOK

PARENTS often wonder - what would my child learn in Karma Award Program. It is more detailed than Dharma program and many aspects are included over a period of time. One example (Adhyay 3 - Karma 4 & 5) is teaching the child the meaning of three gunas (characteristics) -

Geeta Readings was conducted during 9 sail days from 4 to 5 pm. We covered 2 chapters each session, thus covering all 18 chapters. Our eternal thanks to the Good Lord for giving us such an saatvic opportunity.

We could not resist posting one of the 'thank you' note we received onboard. These things make everything worthwhile. Thank you.

DHARMA STUDENT PHOTOS

THANKS TO all our parents for sending many wonderful pictures of Dharma and Karma Students as well as of the students in groups. Our previous website did not have enough capacity to post all the pictures. Our programmer tells us that we do have it now.

So, we have posted some selected pictures on our website - under "ABOUT US" - then "EVENTS & ACTIVITIES" - and then "PHOTO GALLERY". All photos are posted with parents' permission.

Thanks to Balaji S K (from Group 1558-G in Alpharetta, GA) for submitting the above photo of Yash performing Pongal festival puja at home.

Saatvic, Raajsic, and Taamsic. Parent (Saathi) is asked to engage the child in using these three words in everyday conversation to the extent it is possible making it enjoyable. Try this even if you and your child is not enrolled in Karma Award Program. You will be surprised with what you will both learn.

Thanks for your interest
